## Presidents Column:

The last couple of months has produced wonderful weather here in Northeast Ohio and Western Pennsylvania! Everyone has had a chance to swim, water ski, go boating and camping, maintain their yards, enjoy picnics, travel to Put in Bay and other "hot" spots, golf, and bike ride with the Cycle Circle. These continuous activities has kept everyone busy enjoying their summer, but not forgotten, your Board of Trustees and some new members are committed to bringing you more fun, events, and trips this upcoming season! Consequently, additional support by more members is needed to ensure committees are formed to finalize these events. The ongoing effort performed by the current members can be delegated to include more members, thus getting YOU involved and ensuring events run successfully. With this being stated, please offer your assistance where needed, and we're sure you will not only produce fun events, but meet people, and have fun along the way...

Although the photo page has yet to be updated, the Website is still the prime resource for gathering information, and our "facebook" page is another option to obtain updates and media. Remember to visit our page and "like" us so additional information can be passed along to you, especially since affiliates post events all the time! The upcoming months will bring details on Ski Trips, but currently, bus pricing has not been released, so ski packages will not contain costs yet. Look for updates on both the Website and facebook page as pricing can be released just about any time...

Let me apologize for not congratulating the winners of the CMSC Metro Cup Golf Tournament sooner! I hope to soon shake hands with Gordon, Paul, Ken, and James the next chance we get together. These four gentleman are dual members of Youngstown and Beaver Valley ski clubs, and they represented YSC well in the tournament by winning the 4-person scramble at Punderson! Way to go guys! We may have another team to send for next season, so be ready for some additional competition!

It goes without saying, that we are not just a Ski Club, but an active social club as well, and we will continue to offer year-round activities. Past events such as the Wine Tours, canoe trips, and Put in Bay weekend were both exciting and attended well! Recently, I had the pleasure of attending Warren's Put in Bay weekend, and had lots of fun, albeit a significant loss of brain cells! We should do a combined trip for next season to this popular hot-spot. Our "Cycle Circle" and Warren's "Pedal Party" continues weekly and has been attended well by additional clubs and guests. We encourage all active riders and guests to join us and meet some fun people. Also, remember the "Pub of the Months" every fourth Tuesday, as each one is growing and becoming more popular. We've seen attendance in the 80's and 90's with the chance to go beyond 100 not being a surprise!

Lastly, let me remind everyone that this month is when **memberships are due**, so make sure you renew soon! I am looking forward to this season and the new adventures and friendships yet to be discovered...

*Brian Hinchcliffe*

-----  
**COMMITMENT:**

The Youngstown Ski Club is a non-profit organization comprised of thrill-seekers and travelers that are willing to meet, make, and retain new friends in every endeavor! The officers and trustees are an all volunteer group, voted into specific positions, and each willingly chooses to perform in their designated roles. Much time and effort is put forth to finalize these trips and events, while still working at our respective daily jobs and raising families...

A lengthy process is involved when making considerations on transportation, lodging, scheduling, and pricing that reflects the best possible "value". We are subject to all the policies, terms, and penalties of the resorts and companies we utilize to make these trips and events occur; Final payment dates are set to coincide with resort and travel booking requirements. The last function we want to perform is to charge or assess our participants any unnecessary costs or fees. However, because much of what occurs in the business world is beyond our control, it is essential that we recover any penalties and/or costs due to cancellations to provide the "best time" for those participating on these trips and events, hence the agreement above.

The Youngstown Ski Club, its officers, and trustees are thoroughly committed to providing our members and participants the best possible rates, costs, and quality of accommodations on all trips and events we offer! We are enthusiastic in our pursuit to have fun, make friends, and provide an enjoyable and memorable trip and/or event for all. Since we are also participating in these trips and events with you, it is clear that we are working toward the best interest of all members and participants...
