## Presidents Column:

I want to personally thank the Officers and Trustees of the Youngstown Ski Club, our membership, affiliates, and all of our supporters for a wonderful 2011 season. It has been my pleasure to work with and interact with everyone that has contributed to the success of this Club. The dedication and cooperation required to make all events and trips possible was on display through member support! We hope that this effort continues into this season as we welcome new faces...

Finally, the **SNOW** has fallen, marking the true start of the ski season, and I encourage everyone to visit our website often, as these next couple months become our most active! Updates to trips and ongoing events will post often and be time-sensitive. Ensure you don't miss a fun opportunity to enjoy the ski season, and/or attend an event. Avoid costly personal trips by signing up early on our offerings and take advantage of savings from both of our local shop affiliates, "RSki Ranch" and the "Ski Chalet". Sale Promotions, discounted merchandise, ski trips, equipment waxing, and an always informative staff are present at these shops!

We hope that your affiliation greatly increases your social network through travel, "all-season" group activities such as wine tours and weekend getaways, winter sports, summer sports, and the Pub of the Months to name a few! While we remain a small Club, we continue to grow through positivity, acceptance, and support of affiliates, as we introduce people not only to activities, but to other people as well. Remember that we operate through membership, and if you haven't renewed yet, you can still do so at the slight increase listed on the application. Take advantage of internet media, and "like" us on our "Face Book" page, and be current with our activities and those of the membership...

Lastly, ongoing cooperation with other clubs such as Good Times and Beaver Valley, has been beneficial to filling the trips and gaining new friends! As usual, active participation is important to our growth and adding interest to our already fun cast of ski bums, travel enthusiasts, social butterflies, and affiliates. So what are you waiting for? Bring your family and friends to all events and truly enjoy this upcoming New Year!!

Best Regards and Thank You,  
*Brian Hinchcliffe*

## SNOW THOUGHTS!

A small group of us went to **Peek'n Peak** on Monday, January 2, 2012 because we had the "fever" to ski! We packed into the vehicle and headed up route 90, only to encounter a traffic slowing snow storm! Multiple cars and even some SUV's had spun out of control directly in front of us, and fortunately, we escaped collision as these vehicles hit the ditches! The resort was making snow, and the weather produced a variety of snowy precipitation, making our day better than expected. Based on the conditions shown in the photos below, and the snow they were getting the last two days, our first trip here this coming Saturday should be a great event!

-----  
**COMMITMENT:**

The Youngstown Ski Club is a non-profit organization comprised of thrill-seekers and travelers that are willing to meet, make, and retain new friends in every endeavor! The officers and trustees are an all volunteer group, voted into specific positions, and each willingly chooses to perform in their designated roles. Much time and effort is put forth to finalize these trips and events, while still working at our respective daily jobs and raising families...

A lengthy process is involved when making considerations on transportation, lodging, scheduling, and pricing that reflects the best possible “value”. We are subject to all the policies, terms, and penalties of the resorts and companies we utilize to make these trips and events occur; Final payment dates are set to coincide with resort and travel booking requirements. The last function we want to perform is to charge or assess our participants any unnecessary costs or fees. However, because much of what occurs in the business world is beyond our control, it is essential that we recover any penalties and/or costs due to cancellations to provide the “best time” for those participating on these trips and events, hence the agreement above.

The Youngstown Ski Club, its officers, and trustees are thoroughly committed to providing our members and participants the best possible rates, costs, and quality of accommodations on all trips and events we offer! We are enthusiastic in our pursuit to have fun, make friends, and provide an enjoyable and memorable trip and/or event for all. Since we are also participating in these trips and events with you, it is clear that we are working toward the best interest of all members and participants...
