COMMITMENT:

The Youngstown Ski Club is a non-profit organization comprised of thrill-seekers and travelers that are willing to meet, make, and retain new friends in every endeavor! The officers and trustees are an all volunteer group, voted into specific positions, and each willingly chooses to perform in their designated roles. Much time and effort is put forth to finalize these trips and events, while still working at our respective daily jobs and raising families...

A lengthy process is involved when making considerations on transportation, lodging, scheduling, and pricing that reflects the best possible "value". We are subject to all the policies, terms, and penalties of the resorts and companies we utilize to make these trips and events occur; Final payment dates are set to coincide with resort and travel booking requirements. The last function we want to perform is to charge or assess our participants any unnecessary costs or fees. However, because much of what occurs in the business world is beyond our control, it is essential that we recover any penalties and/or costs due to cancellations to provide the "best time" for those participating on these trips and events, hence the agreement above.

The Youngstown Ski Club, its officers, and trustees are thoroughly committed to providing our members and participants the best possible rates, costs, and quality of accommodations on all trips and events we offer! We are enthusiastic in our pursuit to have fun, make friends, and provide an enjoyable and memorable trip and/or event for all. Since we are also participating in these trips and events with you, it is clear that we are working toward the best interest of all members and participants...
